

# Retired and Senior Volunteer Program (RSVP)

---

## Description:

The Retired and Senior Volunteer Program (RSVP) provides persons age 55 and older opportunities to participate in their communities by sharing their knowledge and skills through meaningful volunteer work. Connecticut's 12 RSVP programs link older adults with community organizations seeking assistance. Volunteers provide valuable services in day care centers, nursing homes, hospice programs, hospitals, home health agencies and schools. They also participate in mentoring and tutoring programs as well as being community organizers for special projects. Liability insurance is provided by the program.
