- No employee shall bring into any state worksite any weapon or dangerous instrument as defined herein.
- No employee shall use, attempt to use, or threaten to use any such weapon or dangerous instrument in a state worksite.

"Weapon" means any firearm, including a BB gun, whether loaded or unloaded, any knife (excluding a small pen or pocket knife), including a switchblade or other knife having an automatic spring release device, a stiletto, any police baton or nightstick or any martial arts weapon or electronic defense weapon.

"Dangerous instrument" means any instrument, article, or substance that, under the circumstances, is capable of causing death or serious physical injury.

Confiscation of Weapons and Dangerous Instruments

Any weapon or dangerous instrument at the worksite will be confiscated and there is no reasonable expectation of privacy with respect to such items in the workplace.
