---

The Insurance Department has received complaints about the following entities selling products over the internet:

- **CONGRESSIONAL HEALTH PLANS, HALLANDALE, FL**
- **APS – RX (ATLANTIC PRESCRIPTION SERVICES)**
- **BENEFITS USA**
- **INSURANCE GROUP USA, INC.**

Please be advised that these entities are **not** licensed health insurers and are not authorized to sell health insurance or limited benefit medical plans in Connecticut.

The Department strongly recommends that you only purchase health insurance coverage from companies licensed in the state. Please check the [Department's website](http://www.ct.gov/cid) at [www.ct.gov/cid](http://www.ct.gov/cid) for a listing of licensed health insurers in the state before purchasing health insurance coverage.

The Department strongly recommends that you do not respond to any unsolicited fax or email solicitation or respond to offers for products sold over the internet, without thoroughly checking out the company making the offer, and to make sure it is a licensed entity. When in doubt, feel free to contact the Department to verify the validity of any entity in question.
