A Message from Governor M. Jodi Rell

This year, during Connecticut's 375th Anniversary, I have launched a special effort to build an official state memorial honoring the service and sacrifice of our veterans. The memorial will be located across from the State Veterans Home in Rocky Hill.

There are local monuments on many town greens across the state – but there has never been a unified, statewide memorial. Half of the \$1.2 million needed for this important project has already been raised. We need your help to complete the job.

An “Honor Roll of Heroes” will be displayed in a kiosk at the memorial. Consider enrolling a veteran or current member of the Armed Forces who is special to you – a family member or friend – by making a \$1 donation to the memorial.

Your donation will help make this project a reality and forever celebrate the special service member you choose to honor. Please help us today.
