**NEW REGISTRATIONS – CONDITIONAL**

The purpose of this notice is to advise that all officers are individually checked for convictions of any crime other than traffic violations.

Failure to truthfully disclose any such convictions may result in denial of the registration.

Similarly, failure to provide all of the details of ANY conviction, such as the date of the conviction, the offense of which convicted, the Court location of conviction and the disposition made by the Court in the case – i.e. 30 days, \$50.00 fine, probation, etc., may also be cause for denial of the registration.

In addition, any falsification or untruthful answer to any other question on the application may result in a denial of the registration.

All new registrations are issued on a CONDITIONAL BASIS ONLY, pending verification that submitted fingerprints reflect no conviction record, no falsification of the application relative to a conviction record, or a conviction record for offenses not deemed to be detrimental to the best interests of the State of Connecticut, Department of Consumer Protection.
