G-1 Question posed by the chairman of the Ledyard Zoning Commission regarding sealed drawings. (Dist. 4)

Eric Treaster, chairman of the Ledyard Zoning commission spoke before the Board regarding new regulations that are being written by the Ledayrd zoning board. Mr. Treaster is seeking clarification of Sec. 20-300-10b in regards to the sealing and signing of documents by a licensed professional engineer and/or land surveyor. The second issue is whether or not sealed drawings remain the property of the surveyor after they have been filed with the town.

The Board will formulate a response for the next meeting.

Motion made by (9) and seconded by (7) to adjourn the meeting. Motion carried.

Meeting adjourned at 10:15 am.

The next meeting for the Board is scheduled for October 18, 2011.
