

Send us your photos.....

The Healthy Living Conference Committee is looking for photographs of attendees participating in fun and empowering things. If you have any digital photos please email them to michael.wodjenski@ct.gov
Our hope is to get enough vacation, work, recreational, family pictures to have a Power point presentation to kick off the conference this year.

Please check with your Case Mangers to be sure that photo releases are in place before submitting the pictures.

The Conference is October 17, 2014 so please send them in by 9/30/14!!

Thanks,
The Healthy Living Conference Committee
