Information provided by the provider describing their agency:

Horizons, Inc. is made up of Summer Camp and Weekends in the Country.

Through Summer Camp and Weekends in the Country, we provide essential respite services to families of individuals with special needs.

Since 1979, Horizons Summer Camp has been a breath of fresh air for campers and their families. Offered for eight weeks each summer, Camp Horizons allows campers to explore horseback riding, swimming, boating, arts, fitness, drama, pioneering, music, language arts, movement and dance, physical education and more with the help of engaging and well-trained instructors.

Weekends in the Country are offered from September to May. These action-packed them-based weekends are developed by our creative team and filled with fun and friendship. Campers arrive on Friday evening and return home Sunday afternoon. Every Weekend in the Country sees campers enjoying the same variety, camaraderie and opportunities for learning provided by summer camp only in an intimate, joyful two-day span.
