Provider Profile

Information provided by the provider describing their agency:

Located in Southeastern Connecticut, Ascension Habilitative Support Services provides personalized residential and vocational supports to individuals with intellectual and Developmental Disabilities. We also provide individualized case management services which include assessment, planning, linking to community resources, reporting and professional services. Our owner/operators have over 30 years of combined experience working with individuals with ID/DD diagnosis, and have excellent reputations for offering high quality supports in a respectful, open and inclusive manner in a variety of settings.
