Exploring Climate Solutions Webinar Series

Brought to you by the *Governor's Council on Climate Change (GC3)*

The Governor's Council on Climate Change's Working Group on Leadership, Accountability, and Engagement is launching **Exploring Climate Solutions Webinar Series** to explore innovative and successful climate change solutions across Connecticut and the nation. The series will provide first-hand accounts of high-profile municipal climate programs, climate initiatives in the corporate world, greenhouse gas reporting frameworks, statewide sustainability programs, and low-carbon fuel initiatives.

The series launch is scheduled for **September 22nd from 12-1pm**. Our first guest presenters are Megan Saunders, Executive Director at **Stamford 2030 District**, and Vincent Martinez, Director of Development & Operations for **Architecture2030**. Please join us to learn more about this innovative initiative by registering [here](#).
