

Hauling & Storing Boats

QUICK REFERENCE TABLE

Use this table as a quick reference to determine what is legally required if you conduct any of the listed activities or use any of the listed products.

We suggest that you read each fact sheet before turning to the referenced legal requirement section because each individual fact sheet provides more detailed information about each activity or product used.

If the “Additional Requirements” box is checked, there are additional requirements that are not described in any appendix, but are described on the referenced fact sheet.
