Attachment E: For Renewal of an Existing Permit and Other Discharges Previously Licensed by the Department of Environmental Protection

Applicant Name:
(as indicated on the *Permit Application Transmittal Form*)

1. Complete the following table with a summary of discharge quality data from the previous two years. To complete the table for renewals, refer to your existing permit; for other discharges previously licensed by DEP, refer to your previous authorization or permit. See instructions (DEP-PED-INST-100) for further guidance on how to fill in this table. Reproduce this sheet for each discharge serial number. Use the same discharge serial numbers as indicated on your previous permit and provide the existing permit number. Reproduce and complete this form for each permit that you are proposing to renew.

Summary of Discharge Analyses

Discharge Serial Number:

Permit Number:

Name of Permit Parameter	Average Concentration	Maximum Concentration	Number of Analyses	Number of Exceedances	CV (NPDES only)

2. Provide a brief narrative describing any changes in the processes or activities generating or treating the discharge(s) which are proposed and/or have occurred since the date of the last permit application. For example, such information should include the addition, substitution, or elimination of processes, modifications of treatment systems or chemicals added to treat the discharge, pollution prevention measures; and any other changes which may affect the quality or quantity of the discharge(s).

3. If in the table in question 1, you indicated that any permit parameter was exceeded, and any exceedances were by more than twice the permit limit or occurred more than three times, describe the steps taken to correct the problem.
