

This document contains the Connecticut regulations for Fish Spawning Areas and Refuges. This document was prepared by the State of Connecticut Department of Environmental Protection and is provided for the convenience of the reader. This is not the official version of the regulations. The official regulations are published by the State of Connecticut, Judicial Branch, Commission on Official Legal Publications in the Connecticut Law Journal. In the event there is inconsistency between this document and the regulations as published in the Connecticut Law Journal, the Connecticut Law Journal publication will serve as the official version.

FISH SPAWNING AREAS AND REFUGES

26-102-1. Fish spawning areas and refuges

The following waters shall be designated fish refuges and shall be closed to all fishing.

(a) Farmington River power company canal from the Rainbow Dam downstream to its confluence with the Farmington River.

(b) Rainbow Reservoir from Rainbow Dam upstream to the buoys which mark the downstream limits of boating.
