Manner for Determining Reimbursement to Municipalities

Determination of amount of reimbursement 14-150b- 1

Manner for Determining Reimbursement to Municipalities**Sec. 14-150b-1. Determination of amount of reimbursement**

The amount of the expenses incurred by a municipality to be reimbursed to the municipality from the resources of the Municipal Abandoned Vehicle Trust Fund by the secretary of the Office of Policy and Management shall be determined as follows:

(a) Each municipality shall, in the periodic reports prepared and submitted to the commissioner of motor vehicles concerning abandoned passenger vehicles as required by Section 14-150 (f) (2) of the General Statutes, indicate the amount of the charge imposed by the tower for each abandoned vehicle towed and also shall indicate if the municipality claims reimbursement for such towing charge;

(b) The commissioner of motor vehicles shall forward to the chief executive officer of each municipality, on an annual basis, a listing of all vehicles reported by such municipality under Subsection (a) including the towing charge for each vehicle and whether reimbursement has been claimed by the municipality. The chief executive officer of each said municipality shall, within thirty days of receipt of such listing, compute and report to the secretary of the Office of Policy and Management the annual total of such expenses, together with the total amount for which the municipality is entitled to be reimbursed based on an amount equal to twenty-five dollars or fifty per cent of the cost of each tow, whichever is less, for each towed vehicle for which reimbursement has been claimed.

(Effective October 17, 1990)
