Fairfield County

Cherry Grove Farm, LLC

60 Platts Hill Road, P.O. Box 244
Newtown CT 06470
203-426-9282

Contact: Jerome Mayer

Corn, summer squash, winter squash, heirloom tomatoes, sweet peppers, hot peppers, onions, leeks, eggplant, tomatillo, basil, cilantro, greens, okra, green beans.

We use chemical fertilizers sparingly, but we do not use herbicides or chemical pesticides on our vegetables. We consider growing specific varieties at least once if the seeds or plants are available.

Farming 101

101 Brushy Hill Road
Newtown CT 06470
203-304-1451

www.101brushyhill.com

Contact: Jennifer and Trout Gaskins

We are a small-scale family farm, specialized in growing over 50 varieties of heirloom tomatoes. We gratefully sign the CT-NOFA Farmers Pledge using organic methods, actively pursuing certification.

Delivery available in Fairfield County.

Ned's Island Oysters

Sargent's Cove, 132 Water Steet
Norwalk CT 06854
203-852-1030
www.Nedsislandoysters.com
Contact: Geoff Denham

Our oysters are harvested from traditional oyster beds, rather than cages. This method results in a much higher quality product, with plump meats within a small, thick, rounded shell, ideally suited to the prestigious half-shell market. All harvesting is carried out under strict State of Connecticut health regulations from State-certified waters to ensure a consistently safe, high-quality product.

Blue Moon Farm

735 Plymouth Road
Harwinton CT 06791
860-601-1815
www.blumooncattle.com
Contact: Katie Murdock

Steers are raised on grass and grain finished. We feed a high quality blend of local forages, along with grains including corn, barley, oats, and soybean. All the steers consistently grade choice to prime on the USDA scale.

We believe in grain finishing because it enhances flavor by adding fat to the meat, so our beef tastes great!!! All beef is harvested and processed under USDA inspection then cryo-vaccinated and flash frozen.
