

Farm Stands and Stores 2015

Key: after the name of the farm stand or store, there is a string of letters, creating a key to finding Connecticut Grown products. Use the key below to find the products and information you need:

P: Pumpkins, gourds, and other fall products

SF: Specialty foods including jams, honey, maple syrup, salsas, vinegars, etc.

GP: Green industry products, includes all greenhouse plants, shrubbery, annuals, perennials, nursery/landscape stock, potted herbs, cut flowers, etc.

D: Dairy Products, like milk, cheese, eggs, yogurt, ice cream, and other dairy products.

LP: Livestock products including beef, pork, chicken, other meat products, and fiber.

F: Fruit

V: Vegetables

SP: Specialty products, such as Connecticut made soaps, candles, lotions, balms, and other non-edible products, etc.

A: Agritourism activities: pick-your-own, corn mazes, hayrides, etc.

O: Other products

H: Honor system stand

C: Call for hours

Seasons: For the purpose of these postings, we used these months to designate the seasons of the year. This gives you a general idea when each stand or store is open:

Winter: December to February

Spring: March to May

Summer: June to August

Fall: September- November
