Description:

This is a group designed for inmates in the SRGT and SRG programs. The first part of this class is designed to help inmates learn that not all problems can be solved and to assist them in approaching problems so as to (1) respond in the best way to the presented problem and (2) not to make the situation worse. In the second part of the class the inmates review a videotape which shows inmates who have completed a restrictive housing program. In that video the inmates discuss what they believe is necessary in order to "do your bid." The video serves as a stimulus for inmates to discuss how it is possible to live in a prison environment without getting into trouble.

Description:

The special education teachers, pupil services specialists (School Psychologists, School Counselors, School Social Workers), and the associated clerical and durational staff provide services to students with handicapping conditions which interfere with their ability to participate in school. These services are mandated by federal (Individuals with Disabilities Education Act Amendments of 1997) and state (Connecticut General Statutes 10-76) statute. Special education services encompass a broad array of activities including assessment, counseling, transition planning, and both the direct and indirect (e.g. consultation) services of the special education teachers and pupil services staff. Student programs are designed according to the individual needs of each student with disabilities and are specified in an Individualized Education Plan (IEP.) A social skills component is a part of the special education program.

RT Program Code: N/A, Compendium Program: Victim-Offender Dialogue

Description:

For a variety of reasons, it is sometimes helpful for victims to meet with offenders. The department's Victim Services Unit evaluates and when appropriate facilitates this dialogue. The process is designed to achieve the objectives of restorative justice, healing the victim, and confronting and holding the offender accountable. Although this process can often be very helpful to the inmate, all such dialogues are initiated at the request of victims.
