

INMATE TRUST FUND NOTICE

Beginning November 1, 2010, it is no longer necessary to be an approved visitor to send money to an inmate via money orders sent to the Inmate Trust Fund Post Office Box.

When sending Money Orders, make sure to include COMPLETE and LEGIBLE remitter information. If the remitter information is not complete and legible, it will delay the deposit into the inmate's account.

A convenient Inmate Trust Remitter Form is available on this site through the "Inmate Accounts" button.

Beginning DECEMBER 9, 2010, friends and family will no longer have to be an approved visitor to send money to an inmate via Western Union.
