

## **PERMIT PROCEDURES FOR OVERSIZE/OVERWEIGHT VEHICLES**

The Department of Transportation is authorized to issue size and weight permits on a per trip basis during daylight hours for a three-day period. The State's base permit fee is \$23.00 with an additional \$3.00 charge when permits are sent via facsimile equipment; there is also an additional permit service fee. Applications for a permit may be made by telephoning 860-594-2880, in person or by letter to the attention of the Oversize/Overweight Permit Unit (OS/OW) at 2800 Berlin Turnpike, P.O. Box 3175476, Newington, CT, 06131-7546. All applications must provide the following information: date, origin, destination, routes to be traveled, overall height, overall length, overall width, gross weight, number of axles, description of load and the registration number of each vehicle.
