Subject: Communication Regarding Potential Assignments

This is a reminder that all questions regarding projects in the consultant selection process or questions regarding a potential consultant assignment must be directed to the Consultant Selection Office at the number below. No consultant should discuss a prospective assignment with Department personnel at any time. The Department strives to maintain a level playing field for all consultant firms and provides notifications to all at the same time so as not to give a potential advantage to any.

All inquiries regarding this notification shall be directed to the Consultant Selection Office at (860)594-3017.

Sincerely,  
Simone Cristofori
