## Purpose

Use **Form CT-1040 EXT** to request a **six-month extension to file** your Connecticut income tax return for individuals. This form also extends the time to file your individual use tax. It is not necessary to include a reason for the Connecticut extension request if you have already filed an extension request on federal Form 4868 with the Internal Revenue Service. If you did not file a federal Form 4868, you can apply for a six-month extension to file your Connecticut income tax return provided you have good cause for your request.

## How to Get an Extension to File

To obtain a Connecticut extension of time to file, you **must**:

- Complete **Form CT-1040 EXT** in its entirety;
- File it on or before the due date of your return; and
- Pay the amount shown on Line 7.

Any payment made with this form is considered an income tax payment regardless of the amounts you enter on Line 1 and Line 2. Your signature is not required on this form. The Department of Revenue Services (DRS) will notify you **only** if your request is denied.

**Form CT-1040 EXT only** extends the **time to file** your Connecticut income tax return. **Form CT-1040 EXT does not** extend the **time** to pay your income tax. You must pay the amount of tax that you expect to owe on or before the original due date of the return (see *Interest and Penalty*).
