

DDS Autism Spectrum Disorders Advisory Council

ASDAC Mission: The mission of the Autism Spectrum Disorders Advisory Council (ASDAC) is to expand and improve on Autism Spectrum Disorder services through the development of a statewide service delivery system for individuals across the life span and their families. The ASDAC will develop a system that is accessible, affordable, accountable and offers quality services by providing and monitoring the use of evidenced based, promising and best practices, educating professionals and the community, facilitating interagency collaboration and utilizing data driven decision making methods to evaluate effectiveness.
