The early submission of questions is encouraged. Questions will not be accepted or answered verbally – neither in person nor over the telephone. All questions received before the deadline(s) will be answered. However, CCEH will not

answer questions when the source is unknown (i.e., nuisance or anonymous questions). Questions deemed unrelated to the RFP or the procurement process will not be answered. At its discretion, CCEH may or may not respond to questions received after the deadline. CCEH may combine similar questions and give only one answer. All questions and answers will be compiled into a written amendment to this RFP. - Due Date: April 26, 2010
- Time: 12 Noon

Faxed or e-mailed proposals will not be evaluated. When hand-delivering proposals by courier or in person, allow extra time due to building security procedures. CCEH will not accept a postmark date as the basis for meeting the submission due date and time. Proposals received after the due date and time may be accepted by the CCEH as a clerical function, but late proposals will not be evaluated. At the discretion of the CCEH, late proposals may be destroyed or retained for pick up by the submitters.

An acceptable submission must include the following:

- one (1) original proposal;
- four (4) conforming copies of the original proposal; and
- one (1) conforming electronic copy of the original proposal.

The original proposal must carry original signatures and be clearly marked on the cover as "Original." Unsigned proposals will not be evaluated. The original proposal and each conforming copy of the proposal must be complete, properly formatted and outlined, and ready for evaluation by the Screening Committee. The electronic copy of the proposal must be compatible with *Microsoft Office Word 2003*. For the electronic copy, required forms and appendices may be scanned and submitted in Portable Document Format (PDF) or similar file format.

10. Multiple Proposals. The submission of multiple proposals is not an option with this procurement.

11. Declaration of Confidential Information. Proposers are advised that all materials associated with this procurement are subject to the terms of the Freedom of Information Act (FOIA), the Privacy Act, and all rules, regulations and interpretations resulting from them. If a proposer deems that certain information required by this RFP is confidential, the proposer must label such information as CONFIDENTIAL. In Section C of the proposal submission, the proposer must reference where the information labeled CONFIDENTIAL is located in the proposal. *EXAMPLE: Section G.1.a.* For each subsection so referenced, the proposer must provide a convincing explanation and rationale sufficient to justify an exemption of the information from release under the FOIA. The explanation and rationale must be stated in terms of (a) the prospective harm to the competitive position of the proposer that would result if the identified information were to be released and (b) the reasons why the information is legally exempt from release pursuant to C.G.S. § 1-210(b).

12. Conflict of Interest - Disclosure Statement. Proposers must include a disclosure statement concerning any current business relationships (within the last three (3) years) that pose a conflict of interest, as defined by C.G.S. § 1-85. A conflict of interest exists when a relationship exists between the proposer and a public official (including an elected official) or State employee that may interfere with fair competition or may be adverse to the interests of the State. The existence of a conflict of interest is not, in and of itself, evidence of wrongdoing. A conflict of interest may, however, become a legal matter if a proposer tries to influence, or succeeds in influencing, the outcome of an official decision for their personal or corporate benefit. The Department will determine whether any disclosed conflict of interest poses a substantial advantage to the proposer over the competition, decreases the overall competitiveness of this procurement, or is not in the best interests of the State. In the absence of any conflict of interest, a proposer must affirm such in the disclosure statement. *Example: “[name of proposer] has no current business relationship (within the last three (3) years) that poses a conflict of interest, as defined by C.G.S. § 1-85.”*

When evaluating proposals, negotiating with successful proposers, and awarding contracts, CCEH and the Department will conform with the Department's written procedures for POS procurements (pursuant to C.G.S. § 4-217) and the State's Code of Ethics (pursuant to C.G.S. §§ 1-84 and 1-85).
2. **Screening Committee.** CCEH and the Department will designate a Screening Committee to evaluate proposals submitted in response to this RFP. The contents of all submitted proposals, including any confidential information, will be shared with the Screening Committee. Only proposals found to be responsive (that is, complying with all instructions and requirements described herein) will be reviewed, rated, and scored. Proposals that fail to comply with all instructions will be rejected without further consideration. Attempts by any proposer (or representative of any proposer) to contact or influence any member of the Screening Committee may result in disqualification of the proposer.
3. **Minimum Submission Requirements.** All proposals must comply with the requirements specified in this RFP. To be eligible for evaluation, proposals must (1) be received on or before the due date and time; (2) meet the Proposal Format

requirements; (3) follow the required Proposal Outline; and (4) be complete. Proposals that fail to follow instructions or satisfy these minimum submission requirements will not be reviewed further. The CCEH will reject any proposal that deviates significantly from the requirements of this RFP.

- 4. Evaluation Criteria (and Weights).** Proposals meeting the Minimum Submission Requirements will be evaluated according to the established criteria. The criteria are the objective standards that the Screening Committee will use to evaluate the technical merits of the proposals. Only the criteria listed below will be used to evaluate proposals. The criteria are weighted according to their relative importance. The weights are disclosed below or confidential.

- Organizational Profile 10 points
- Scope of Services 20 points
- Staffing Plan 15 points
- Data and Technology 10 points
- Subcontractors – No weight
- Work Plan and Collaboration 25 points
- Financial Profile 10 points
- Budget and Budget Narrative 10 points

Note:

As part of its evaluation of the Staffing Plan, the Screening Committee will consider the proposer's demonstrated commitment to affirmative action, as required by the Regulations of CT State Agencies § 46A-68j-30(10).

- 5. Proposer Selection.** Upon completing its evaluation of proposals, the Screening Committee will submit the rankings of all proposals to the Commissioner of the Department. The final selection of a successful proposer is at the discretion of the Commissioner. Any proposer selected will be so notified and awarded an opportunity to negotiate a contract with the Department. Such negotiations may, but will not automatically, result in a contract. Pursuant to Governor M. Jodi Rell's Executive Order No. 3, any resulting contract will be posted on the State Contracting Portal. All unsuccessful proposers will be notified by e-mail or U.S. mail, at the Department's discretion, about the outcome of the evaluation and proposer selection process.
- 6. Debriefing.** Within ten (10) days of receiving notification from the Department, unsuccessful proposers may contact the Official Contact and request information about the evaluation and proposer selection process. The e-mail sent date or the postmark date on the notification envelope will be considered "day one" of the ten (10) days. If unsuccessful proposers still have questions after receiving this information, they may contact the Official Contact and request a meeting with the Department to discuss the evaluation process and their proposals. If held, the debriefing meeting will not include any comparisons of unsuccessful proposals with other proposals. The Department will schedule and hold the debriefing meeting within fifteen (15) days of the request. The Department will not change, alter, or modify the outcome of the evaluation or selection process as a result of any debriefing meeting.
- 7. Appeal Process.** Proposers may appeal any aspect of the competitive procurement, including the evaluation and proposer selection process. Any such appeal must be submitted to the Commissioner. A proposer may file an appeal at any time after the proposal due date, but not later than thirty (30) days after the Department notifies unsuccessful proposers about the outcome of the evaluation and proposer selection

process. The e-mail sent date or the postmark date on the notification envelope will be considered “day one” of the thirty (30) days. The filing of an appeal shall not be deemed sufficient reason for the Department to delay, suspend, cancel, or terminate the procurement process or execution of a contract. More detailed information about filing an appeal may be obtained from the Official Contact.

- 8. Contract Execution.** Any contract developed and executed as a result of this RFP is subject to the Department’s contracting procedures, which may include approval by the Office of the Attorney General.

II. MANDATORY PROVISIONS

■ A. POS STANDARD CONTRACT, PARTS I AND II

By submitting a proposal in response to this RFP, the proposer implicitly agrees to comply with the provisions of Parts I and II of the State's "standard contract" for POS:

Part I of the standard contract is maintained by the Department and will include the scope of services, contract performance, quality assurance, reports, terms of payment, budget, and other program-specific provisions of any resulting POS contract.

Part II of the standard contract is maintained by OPM and includes the mandatory terms and conditions of the POS contract. Part II is available on OPM's website at: http://www.ct.gov/opm/fin/standard_contract

Note:

Included in Part II of the standard contract is the State Elections Enforcement Commission's notice (pursuant to C.G.S. § 9-612(g)(2)) advising executive branch State contractors and prospective State contractors of the ban on campaign contributions and solicitations. If a proposer is awarded an opportunity to negotiate a contract with the Department and the resulting contract has an anticipated value in a calendar year of \$50,000 or more, or a combination or series of such agreements or contracts has an anticipated value of \$100,000 or more, the proposer must inform the proposer's principals of the contents of the SEEC notice.

Part I of the standard contract may be amended by means of a written instrument signed by the Department, the selected proposer (contractor), and, if required, the Attorney General's Office. Part II of the standard contract may be amended only in consultation with, and with the approval of, the Office of Policy and Management and the Attorney General's Office.

■ B. ASSURANCES

By submitting a proposal in response to this RFP, a proposer implicitly gives the following assurances:

1. **Collusion.** The proposer represents and warrants that the proposer did not participate in any part of the RFP development process and had no knowledge of the specific contents of the RFP prior to its issuance. The proposer further represents and warrants that no agent, representative, or employee of the State participated directly in the preparation of the proposer's proposal. The proposer also represents and warrants that the submitted proposal is in all respects fair and is made without collusion or fraud.
2. **State Officials and Employees.** The proposer certifies that no elected or appointed official or employee of the State has or will benefit financially or materially from any contract resulting from this RFP. The Department may terminate a resulting contract if it is determined that gratuities of any kind were either offered or received by any of the aforementioned officials or employees from the proposer, contractor, or its agents or employees.
3. **Competitors.** The proposer assures that the submitted proposal is not made in connection with any competing organization or competitor submitting a separate

proposal in response to this RFP. No attempt has been made, or will be made, by the proposer to induce any other organization or competitor to submit, or not submit, a proposal for the purpose of restricting competition. The proposer further assures that the proposed costs have been arrived at independently, without consultation, communication, or agreement with any other organization or competitor for the purpose of restricting competition. Nor has the proposer knowingly disclosed the proposed costs on a prior basis, either directly or indirectly, to any other organization or competitor.

4. **Validity of Proposal.** The proposer certifies that the proposal represents a valid and binding offer to provide services in accordance with the terms and provisions described in this RFP and any amendments or attachments hereto. The proposal shall remain valid for a period of 180 days after the submission due date and may be extended beyond that time by mutual agreement. At its sole discretion, the Department may include the proposal, by reference or otherwise, into any contract with the successful proposer.
5. **Press Releases.** The proposer agrees to obtain prior written consent and approval of the Department for press releases that relate in any manner to this RFP or any resultant contract.

■ C. TERMS AND CONDITIONS

By submitting a proposal in response to this RFP, a proposer implicitly agrees to comply with the following terms and conditions:

1. **Equal Opportunity and Affirmative Action.** The State is an Equal Opportunity and Affirmative Action employer and does not discriminate in its hiring, employment, or business practices. The State is committed to complying with the Americans with Disabilities Act of 1990 (ADA) and does not discriminate on the basis of disability in admission to, access to, or operation of its programs, services, or activities.
2. **Preparation Expenses.** Neither the State nor the Department shall assume any liability for expenses incurred by a proposer in preparing, submitting, or clarifying any proposal submitted in response to this RFP.
3. **Exclusion of Taxes.** The Department is exempt from the payment of excise and sales taxes imposed by the federal government and the State. Proposers are liable for any other applicable taxes.
4. **Proposed Costs.** No cost submissions that are contingent upon a State action will be accepted. All proposed costs must be fixed through the entire term of the contract.
5. **Changes to Proposal.** No additions or changes to the original proposal will be allowed after submission. While changes are not permitted, the Department may request and authorize proposers to submit written clarification of their proposals, in a manner or format prescribed by the Department, and at the proposer's expense.
6. **Supplemental Information.** Supplemental information will not be considered after the deadline submission of proposals, unless specifically requested by the Department. The Department may ask a proposer to give demonstrations, interviews, oral presentations or further explanations to clarify information contained in a proposal. Any such demonstration, interview, or oral presentation will be at a time selected and in a place provided by the Department. At its sole discretion, the Department may limit the number

of proposers invited to make such a demonstration, interview, or oral presentation and may limit the number of attendees per proposer.

7. **Presentation of Supporting Evidence.** If requested by the Department, a proposer must be prepared to present evidence of experience, ability, data reporting capabilities, financial standing, or other information necessary to satisfactorily meet the requirements set forth or implied in this RFP. The Department may make onsite visits to an operational facility or facilities of a proposer to evaluate further the proposer's capability to perform the duties required by this RFP. At its discretion, the Department may also check or contact any reference provided by the proposer.
8. **RFP Is Not An Offer.** Neither this RFP nor any subsequent discussions shall give rise to any commitment on the part of the State or the Department or confer any rights on any proposer unless and until a contract is fully executed by the necessary parties. The contract document will represent the entire agreement between the proposer and the Department and will supersede all prior negotiations, representations or agreements, alleged or made, between the parties. The State shall assume no liability for costs incurred by the proposer or for payment of services under the terms of the contract until the successful proposer is notified that the contract has been accepted and approved by the Department and, if required, by the Attorney General's Office.

■ D. RIGHTS RESERVED TO THE STATE

By submitting a proposal in response to this RFP, a proposer implicitly accepts that the following rights are reserved to the State:

1. **Timing Sequence.** The timing and sequence of events associated with this RFP shall ultimately be determined by the Department.
2. **Amending or Canceling RFP.** The Department reserves the right to amend or cancel this RFP on any date and at any time, if the Department deems it to be necessary, appropriate, or otherwise in the best interests of the State.
3. **No Acceptable Proposals.** In the event that no acceptable proposals are submitted in response to this RFP, the Department may reopen the procurement process, if it is determined to be in the best interests of the State.
4. **Award and Rejection of Proposals.** The Department reserves the right to award in part, to reject any and all proposals in whole or in part, for misrepresentation or if the proposal limits or modifies any of the terms, conditions, or specifications of this RFP. The Department may waive minor technical defects, irregularities, or omissions, if in its judgment the best interests of the State will be served. The Department reserves the right to reject the proposal of any proposer who submits a proposal after the submission date and time.
5. **Sole Property of the State.** All proposals submitted in response to this RFP are to be the sole property of the State. Any product, whether acceptable or unacceptable, developed under a contract awarded as a result of this RFP shall be the sole property of the State, unless stated otherwise in this RFP or subsequent contract. The right to publish, distribute, or disseminate any and all information or reports, or part thereof, shall accrue to the State without recourse.

6. **Contract Negotiation.** The Department reserves the right to negotiate or contract for all or any portion of the services contained in this RFP. The Department further reserves the right to contract with one or more proposer for such services. After reviewing the scored criteria, the Department may seek Best and Final Offers (BFO) on cost from proposers. The Department may set parameters on any BFOs received.
7. **Clerical Errors in Award.** The Department reserves the right to correct inaccurate awards resulting from its clerical errors. This may include, in extreme circumstances, revoking the awarding of a contract already made to a proposer and subsequently awarding the contract to another proposer. Such action on the part of the State shall not constitute a breach of contract on the part of the State since the contract with the initial proposer is deemed to be void *ab initio* and of no effect as if no contract ever existed between the State and the proposer.
8. **Key Personnel.** When the Department is the sole funder of a purchased service, the Department reserves the right to approve any additions, deletions, or changes in key personnel, with the exception of key personnel who have terminated employment. The Department also reserves the right to approve replacements for key personnel who have terminated employment. The Department further reserves the right to require the removal and replacement of any of the proposer's key personnel who do not perform adequately, regardless of whether they were previously approved by the Department.

■ E. STATUTORY AND REGULATORY COMPLIANCE

By submitting a proposal in response to this RFP, the proposer implicitly agrees to comply with all applicable State and federal laws and regulations, including, but not limited to, the following:

1. **Freedom of Information, C.G.S. § 1-210(b).** The Freedom of Information Act (FOIA) generally requires the disclosure of documents in the possession of the State upon request of any citizen, unless the content of the document falls within certain categories of exemption, as defined by C.G.S. § 1-210(b). Proposers are generally advised not to include in their proposals any confidential information. If the proposer indicates that certain documentation, as required by this RFP, is submitted in confidence, the State will endeavor to keep said information confidential to the extent permitted by law. The State has no obligation to initiate, prosecute, or defend any legal proceeding or to seek a protective order or other similar relief to prevent disclosure of any information pursuant to a FOIA request. The proposer has the burden of establishing the availability of any FOIA exemption in any proceeding where it is an issue. While a proposer may claim an exemption to the State's FOIA, the final administrative authority to release or exempt any or all material so identified rests with the State. In no event shall the State or any of its employees have any liability for disclosure of documents or information in the possession of the State and which the State or its employees believe(s) to be required pursuant to the FOIA or other requirements of law.
2. **Contract Compliance, C.G.S. § 4a-60 and Regulations of CT State Agencies § 46a-68j-21 thru 43, inclusive.** CT statute and regulations impose certain obligations on State agencies (as well as contractors and subcontractors doing business with the State) to insure that State agencies do not enter into contracts with organizations or businesses that discriminate against protected class persons.
3. **Consulting Agreements, C.G.S. § 4a-81.** Proposals for State contracts with a value of \$50,000 or more in a calendar or fiscal year, excluding leases and licensing agreements of any value, shall include a consulting agreement affidavit attesting to whether any

consulting agreement has been entered into in connection with the proposal. As used herein "consulting agreement" means any written or oral agreement to retain the services, for a fee, of a consultant for the purposes of (A) providing counsel to a contractor, vendor, consultant or other entity seeking to conduct, or conducting, business with the State, (B) contacting, whether in writing or orally, any executive, judicial, or administrative office of the State, including any department, institution, bureau, board, commission, authority, official or employee for the purpose of solicitation, dispute resolution, introduction, requests for information or (C) any other similar activity related to such contract. Consulting agreement does not include any agreements entered into with a consultant who is registered under the provisions of C.G.S. The Department of Social Services provides a broad range of services to the elderly, persons with disabilities, families, and individuals who need assistance in maintaining or achieving their full potential for self-direction, self-reliance and independent living. It administers over 90 legislatively authorized programs and one third of the state budget. By statute it is the state agency responsible for administering a number of programs under federal legislation, including the Rehabilitation Act, the Food Stamp Act, the Older Americans Act, and the Social Security Act. The Department is also designated as a public housing agency for the purpose of administering the Section 8 program under the federal Housing Act.

The Department is headed by the Commissioner of Social Services, and there are deputy commissioners for Administration and Programs. There is a regional administrator responsible for each of the three service regions. By statute, there is a statewide advisory council to the Commissioner, and each region must have a regional advisory council.

The Department administers most of its programs through offices located throughout the state. Within the Department, the Bureau of Rehabilitation Services provides vocational rehabilitation services for eligible individuals with physical and mental disabilities at 23 offices throughout the state. For the other programs, services are available through 11 offices located in the three regions, with central office support located in Hartford. In addition, many services funded by the Department are available through community based agencies, including the 156 senior centers throughout Connecticut. The Department has out-stationed employees at hospitals to expedite Medicaid applications, and funds Healthy Start sites which can accept applications for Medicaid for pregnant women and young children. Many of the services provided by the Department are available via mail or phone call.

■ **B. PROGRAM OVERVIEW:**

Program Name: The Housing First for Families Program (HFF)

Background: In 2009, the CT General Assembly adopted a budget provision which, based upon the recommendation of Governor M. Jodi Rell, established funding for a ‘rapid re-housing program’ within existing appropriations to serve families facing homelessness in CT. The goal of the Housing First for Families (HFF) program is to provide housing based interventions for families with children who are served by CT’s emergency shelters, shelters for victims of domestic violence, or are within 30 days of discharge from a CT transitional housing facility for homeless families. The program will also re-house families who are targeted for re-unification with their dependent child upon placement in housing.

The Department, through its Homeless Prevention and Rapid Re-Housing Program (HPRP), currently provides short and medium term rental assistance and services to families who are considered ‘literally homeless’. In addition, The Beyond Shelter CT (BSCT) program is available through 14 sites across the state to assist families with home-based assistance as they transition to their own permanent housing. Now, the Department seeks to expand services which engage currently homeless families and provide ‘housing find’ services, and, at the same time, create a sustainable foundation for ongoing rapid re-housing services once federal HPRP funds expire.

Program Design: Program success is based upon the following three key design elements:

1. Collaboration with area homeless shelters, domestic violence shelters or other services that interact with homeless families to identify households in need of services;
2. Assistance to families in accessing relocation assistance, rental assistance, and other financial resources including HPRP, Security Deposit Guarantee Program, rental subsidies, permanent supportive housing, public housing, cash or financial assistance, entitlements;
3. Assistance in identifying housing units (e.g. “housing find”) for families as well as developing relationships with landlords; and
4. Assistance, through collaboration with Beyond Shelter CT, HPRP, or other home-based supportive services programs, in keeping the families in said housing for an unbroken period of 9 months.

On behalf of the Department, the CCEH prefers proposals to serve clients residing in a group of shelters within a region, continuum of care, HPRP region, area also served through the BSCT program, or a sub-population statewide. For the purpose of this procurement shelters and transitional housing include facilities that exclusively serve victims of domestic violence. A proposer which provides rapid re-housing services which exclusively serves families in Domestic Violence emergency shelter facilities will be accepted by the CCEH as long as participating families meet economic eligibility criteria specified in Program Policies/Guidelines noted below and the proposer can demonstrate the ability to place at minimum 35 families in housing during the 14-month contract period.

Program Philosophy: As with the BSCT program which provides assistance to homeless families and individuals for up to one year following their move from shelter, transitional housing or places not fit for human habitation, into rental housing, the Housing First for Families program is based upon the premise that housing stability is a pre-requisite to family stability and self determination. Through issuance of this RFP, the Department recognizes the validity of the research supported premise that families can address health, mental health and other barriers to stability once they access housing far more effectively than in an emergency shelter setting, regardless of the level of services provided in the shelter itself. It is the goal of the Department that families who experience homelessness have the opportunity to exit shelter (or homeless experience, where homeless shelters do not exist) quickly (preferably within 30 days of admission) to appropriate housing where follow up services, and on-going support services can be provided if necessary. Homeless families shall be comprised of at least one head of household and at least 1 minor child under the age of 18.

Proposers will assist homeless families with accessing financial assistance, housing search, and housing placement regardless of pre-determined 'readiness criteria' as long as the family agrees to enter services, services are available (e.g. caseload is below limit), and a housing unit can be identified and secured by the family with program assistance. The ultimate goal of the Housing First for Families program is to link entities who interact with homeless families, including shelters, transitional living programs and the Department of Children and Families (DCF) (in instances of family reunification) to BSCT, HPRP and any available housing and/or financial assistance services to develop a housing based system to address homelessness in CT and lessen reliance on homeless shelters and transitional housing as the primary intervention when families become homeless.

Program Goals and Objectives:

1. No less than 30 families annually (35 during the contract period of 14 months) exit shelter, transitional housing, or place not fit for human habitation to permanent leased housing, or stable shared housing (appropriate living space per DCF regulations accompanied by sub-lease or written agreement with primary tenant). *(For purposes of RFP, a minimum of 35 families will be served during the 14-month contract period.)*
2. 60% of total families served exit homelessness within 30 days of entrance into Housing First for Families program.
3. 70% of total families remain stably housed (e.g. does not re-enter emergency shelter or transitional living services) 9 months after exit from homelessness.
4. Establish linkages between emergency shelters, transitional living programs, HPRP, BSCT programs, local social service agencies and area housing providers such as housing authorities, private landlords, and providers of permanent supportive housing that serve families to create a seamless system of securing housing units for families who experience homelessness.

Program Policies / Guidelines: Homeless families with at least one (1) dependent child under the age of 18 and fall below 30% median income or are 200% below the poverty level according to federal guidelines are eligible for services. (See Section V. Attachments for income levels document.) Contractors will be expected to work with families toward the goal of placement in stable housing.

Evidence-Based Programming /Preferred Practices: The 'housing first' approach provides the philosophical framework for this procurement. The National Alliance to End Homelessness (NAEH) describes the principles of the housing first approach as follows:

- Homelessness is first and foremost a housing problem and should be treated as such
- Housing is a right to which all are entitled

- People who are homeless or on the verge of homelessness should be returned to or stabilized in permanent housing as quickly as possible and connected to resources necessary to sustain that housing
- Issues that may have contributed to a household's homelessness can best be addressed once they are housed

Also, the NAEH website (www.endhomelessness.org) identifies key service components for effective Housing-First oriented programs, including:

- *Housing, Resource and Support Services Assessment* which focuses on housing needs, preferences, and barriers; resource acquisition (e.g. entitlements); and identification of services needed to sustain housing
- *Housing placement assistance* including housing location and placement; [linkage to] financial assistance with housing costs (e.g. security deposit, first month's rent, move-in and utilities connection, short-or-long term housing subsidies); advocacy and assistance in addressing housing barriers (e.g. poor credit history or debt, prior eviction, criminal conviction)

Program Catchment Areas: *CCEH hopes to present the Department with proposals which seek to serve a group of shelters, COC, Ten Year Plan region or HPRP region within each of these catchment areas*

**NOTICE TO EXECUTIVE BRANCH STATE CONTRACTORS AND PROSPECTIVE STATE CONTRACTORS OF
CAMPAIGN CONTRIBUTION AND SOLICITATION BAN**

This notice is provided under the authority of Connecticut General Statutes 9-612(g)(2), as amended by P.A. 07-1, and is for the purpose of informing state contractors and prospective state contractors of the following law (italicized words are defined below):

Campaign Contribution and Solicitation Ban

No *state contractor, prospective state contractor, principal of a state contractor or principal of a prospective state contractor*, with regard to a *state contract or state contract solicitation* with or from a state agency in the executive branch or a quasi-public agency or a holder, or principal of a holder of a valid prequalification certificate, shall make a contribution to, or *solicit* contributions on behalf of (i) an exploratory committee or candidate committee established by a candidate for nomination or election to the office of Governor, Lieutenant Governor, Attorney General, State Comptroller, Secretary of the State or State Treasurer, (ii) a political committee authorized to make contributions or expenditures to or for the benefit of such candidates, or (iii) a party committee;

In addition, no holder or principal of a holder of a valid prequalification certificate, shall make a contribution to, or solicit contributions on behalf of (i) an exploratory committee or candidate committee established by a candidate for nomination or election to the office of State senator or State representative, (ii) a political committee authorized to make contributions or expenditures to or for the benefit of such candidates, or (iii) a party committee.

Duty to Inform

State contractors and prospective state contractors are required to inform their principals of the above prohibitions, as applicable, and the possible penalties and other consequences of any violation thereof.

Penalties for Violations

Contributions or solicitations of contributions made in violation of the above prohibitions may result in the following civil and criminal penalties:

Civil penalties--\$2000 or twice the amount of the prohibited contribution, whichever is greater, against a principal or a contractor. Any state contractor or prospective state contractor which fails to make reasonable efforts to comply with the provisions requiring notice to its principals of these prohibitions and the possible consequences of their violations may also be subject to civil penalties of \$2000 or twice the amount of the prohibited contributions made by their principals.

Criminal penalties—Any knowing and willful violation of the prohibition is a Class D felony, which may subject the violator to imprisonment of not more than 5 years, or \$5000 in fines, or both.

Contract Consequences

Contributions made or solicited in violation of the above prohibitions may result, in the case of a state contractor, in the contract being voided.

Contributions made or solicited in violation of the above prohibitions, in the case of a prospective state contractor, shall result in the contract described in the state contract solicitation not being awarded to the prospective state contractor, unless the State Elections Enforcement Commission determines that mitigating circumstances exist concerning such violation.

The State will not award any other state contract to anyone found in violation of the above prohibitions for a period of one year after the election for which such contribution is made or solicited, unless the State Elections Enforcement Commission determines that mitigating circumstances exist concerning such violation.
