Notice of Proposed Medicaid State Plan Amendment (SPA)

Medication Administration Prompting by Home Health Aides (SPA 15-049)

The State of Connecticut Department of Social Services (DSS) proposes to submit the following Medicaid State Plan Amendment (SPA) to the Centers for Medicare & Medicaid Services (CMS) within the U.S. Department of Health and Human Services (HHS).

Changes to Medicaid State Plan

Effective on or after October 1, 2015, SPA 15-049 will amend Attachment 4.19-B of the Medicaid State Plan to add reimbursement for medication administration prompting service performed by home health aides within home health agencies. This service is limited to only those beneficiaries who were receiving medication administration provided by a home health agency at least once a day. To the extent appropriate and medically necessary for each beneficiary, home health aide medication prompting replaces medication administration services currently performed by home health agency nurses.

Fiscal Information

Based on available information, DSS estimates that this SPA will increase annual aggregate expenditures by approximately \$1.8 million in State Fiscal Year 2016 and by approximately \$2.4 million in State Fiscal Year 2017. However, when considering the anticipated impact of this SPA on other services (namely a reduction in home health medication administration services provided by nurses), substantial overall savings are anticipated.

Information on Obtaining SPA Language and Submission of Comments

In accordance with federal Medicaid requirements, upon request, DSS will provide copies of the proposed SPA. Copies of the proposed SPA may also be obtained at any DSS regional office and on the DSS website: <http://www.ct.gov/dss>. Go to “Publications” and then “Updates”.

Written, phone, and email requests should be sent to Ginny Mahoney, Department of Social Services, Medical Policy Unit, 55 Farmington Avenue, 9th Floor, Hartford, CT 06105 (Phone: 860-424-5145, Fax: 860-424-5799, Email: ginny.mahoney@ct.gov). Please reference “SPA 15-049: Medication Administration Prompting by Home Health Aides”. Members of the public may also send written comments to DSS about this SPA. Written comments must be received at the above contact information no later than October 14, 2015.
