

**SMPTE-NY / Connecticut Subsection**

# Meeting Notice

## **The Spectrum Demystified for Wireless Mics**

Joe Ciaudelli from Sennheiser and Henry Cohen from CP Communications will review changes in Federal Communications Commission (FCC) policy and other updates that will affect operators of wireless audio production devices.

Topics will include:

- Frequency ranges used by wireless mics
- Band planning (mics/monitors/intercoms, etc.)
- Licensed vs. unlicensed operation
- Whitespace devices (WSD)
- Vacant TV channels reserved for wireless mics
- The Spectrum Database System
- Reserving additional TV channels for your events
- Future spectrum re-allocation issues

**Monday, November 19, 2012 @ 6:00 P.M.**

Central Connecticut State University, New Britain, CT.
