

The **Tufts University Child and Family Webguide** is sponsoring the **501c³: CAPTURING CHANGE ON CAMERA** video contest to feature child- and family-focused non-profit organizations around the world.

Inspired filmmakers who produce short (5 minutes or less) documentaries that tell the story of an organization selected by the filmmaker are eligible to compete for cash prizes. We believe this is an excellent opportunity for students to practice their craft and shed light on the critical work that non-profit organizations do every day in diverse communities. Winners will share prizes totaling \$5000 (\$3000 for the first prize) with the organization they feature!

Entries must have been completed within two years of the submission deadline, which is December 15, 2010. We will begin accepting entries on October 15th. This is a national. We encourage you to visit our website at <http://www.cfw.tufts.edu/501c3/> for information, examples, and forms or email us at 501c3@tufts.edu.
