

Access Health Analytics is revising its schedule due to a higher than anticipated number of responses to its (APCD) RFP. In order to evaluate the proposals much more thoroughly, it proposes the following revised schedule as below. We anticipate that by March 14th Access Health Analytics will notify a select list of prospective contractors and invite them for oral presentations. These presentations have been scheduled on the days of 19th, 20th and 21st of March, 2014. The details of the agenda and the flow of the oral presentations will be communicated to the selected vendors with their invitations.
