Access Health CT Engagement Objectives

3

- Conduct an audit of the financial statements of Access Health CT as of June 30, 2015 in accordance with auditing standards generally accepted in the United States of America.
- Federal Single Audit, Programmatic Audit and Transitional Audit.
- Identify and communicate best business practices.
- Consult regarding accounting, internal control and reporting matters as needed throughout the year.
- Ensure that the Audit Committee is kept appropriately informed of the Foundation's financial reporting matters and comply with professional standards as to communications with the Audit Committee.

Access Health CT Auditors' Responsibility

4

- We are not aware of any relationships between our Firm and the Access Health CT that, in our professional judgment, impairs our independence.
- We have a responsibility to conduct our audit in accordance with generally accepted auditing standards.
- In carrying out this responsibility, we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.
- We have no responsibility to obtain reasonable assurance that misstatements that are not material are detected.
- Our audit approach will focus on tests of internal controls and performing substantive and analytical procedures with respect to certain transactions, account balances, and accounting estimates, typically in areas that carry higher risk.

Access Health CT Management's Audit Responsibility

5

- Presenting fairly the financial statements in conformity with generally accepted accounting principles
- Design and implementation of internal controls
- Selection and application of appropriate accounting policies
- Providing the auditor with a letter confirming certain representations made during the audit

Access Health CT
