Establishment of Certain Inspection, Registration, Production and Marketing Fees for the Distribution of Fertilizer, Commercial Feeds, Milk and Milk Products

Sec. 22-111e-1. Inspection fees for the distribution of fertilizer

A distributor of commercial fertilizer shall pay to the Commissioner of Agriculture annually, at the time an annual statement is filed pursuant to Section 22-111e(b) of the Connecticut General Statutes, an inspection fee of (25) twenty-five cents per U.S. ton of each commercial fertilizer distributed in this state during the period ending June 30th, provided that sales to manufacturers or exchanges between manufacturers and sales by distributors of less than (10) ten tons in any such annual period are exempted.

(Adopted effective June 6, 2000)
