Sec. 22-326c-2. Payment

(a) A claim for payment for destruction of poultry, carcasses or parts thereof, eggs, products, or articles must be presented to the Director of the Task Force before payment will be made. The claimant must state whether the items for which payment is requested are, or are not, subject to a mortgage, lien, or other security or beneficial interest held by any person other than the claimant. If the claimant is the owner and states that there is no mortgage, lien, or other such interest on the items, payment will be made to the owner. If the claimant states that there is a mortgage, lien, or other such interest, a VS form 1-23 shall be signed by the claimant and by each person holding a mortgage, lien, or other such interest on the items, consenting to the payment of any indemnity allowed to the person specified thereon and payment will be made to such person. All payments are dependent upon the availability of funds appropriated to the Department of Agriculture for the payment of compensation pursuant to Connecticut General Statutes Section 22-326c.

(b) No payment shall be made unless all conditions for release of quarantine in Section 22-324-10c and 22-324-11, and Sections 22-326c-1 and 22-326c-2 of these regulations are met.
